The person named wishes to participate as a driver in the "FARA DRIVEN TO PERFORM DRIVING SCHOOL" at the Track named above. The participant understands that high speed driving events have inherent risks that cannot be foreseen or eliminated no matter how experienced the driver is, or how well the car is prepared for such an event. Although driving and safety guidelines are reviewed with all participants, the event organizer have no direct control over individual driver behavior on the track.

Accidents or collisions with other vehicle may result in death, permanent injury or disability . Causes of accidents include but are not limited to equipment failure, changing track conditions, driver error, or negligence on the part of the driver or other drivers and their vehicle on the track. The driver agrees to follow the track es and guidelines outlined in the mandatory driver's meeting and in the event description. The driver has prepared his car mechanically for high-speed performance driving and is aware that equipment failure may result in death or injury.

By signing below the participant accepts the risks inherent in a driving school.

The participant and his/her heirs release the owner of Track Event, FARA, event organizer and track official from all liability arising from the event.
